Dear PSACC Families,

I am writing to inform you that we have made the difficult decision not to operate our 2021 summer camp due to the challenges presented by the ongoing COVID-19 pandemic. The health and safety of our children and staff are paramount, with current guidelines and restrictions we would be unable to deliver the same quality program as we have in the past. This decision was made after months of thoughtful planning, discussion and research. It was not made lightly and we understand the impact it will have on our families.

Since 1989 we have been committed to providing our families with the very best care. We have always been and will continue to be committed to our mission of providing “a home away from home” for your children. We want to thank all our families for their continuing support. Our enrollment for the 2021-2022 school year is open and we have space in both our morning and afternoon programs.

Stay healthy and be well!

Sincerely,

Kathleen Dinneen
