## February 2012 Newsletter

### Dressing for the Weather

At this time of the year we would like to remind all parents to make sure their children are dressed appropriately for the weather. The children will be going outside each afternoon unless there is rain in the forecast or it is too cold. If we have snow the children will need boots, gloves, a hat and snow pants to play in the snow. All children must wear a winter jacket to go outside.

While we understand that bringing in these additional items, it can be difficult for your child to keep track of them. We encourage you to make sure all items are clearly labeled and that your child has room in their backpack or an additional bag to hold them.

Please note that P.S.A.C.C. is not responsible for lost items, as stated in the P.S.A.C.C. Parent Handbook.

### Delays or Closures Due to Inclement Weather

As stated in the parent handbook if school closes due to inclement weather the program will not operate. If school is delayed, the opening of the program will be delayed by the same amount of time that the opening of school is delayed. (Example: if school is delayed 90 minutes, instead of opening at 6:30am, we will open at 8:00am).

If school is released early due to inclement weather or other emergencies, **the program will not operate.** Tuition for the time the program is closed will be credited to your account.

If school is not in session (ex. school vacations) and it becomes necessary to close the program due to inclement weather or other emergencies, announcements will be made on WMUR-TV (Channel 9).

If it becomes necessary to close the program after it is already in session due to inclement weather or other emergencies, parents will be notified individually by members of the staff. Please make provisions for your child during these closure times.
